Larry,

I had sent the letter to my ARA and deputy Martin Hestmark and Sandy Stavnes to make sure I incorporated their concerns and they were OK with letter. Both have been tied up with Gold King Mine Release since then (the river that was flowing yellow). In fact, I think Martin may be in Durango now. I will send Phil and David a note to see if they can get permission to move it forward.

I am on the response team and headed to Durango later today for what may be two weeks.
